Summer Deadline - May 15

- Athletic Training - Traditional Track

All degree-seeking applicants must:

1. Submit a formal application for admission electronically and pay the application fee, if applicable.
2. Unofficial transcripts may be uploaded with the application. Once admitted an official bachelor's transcript is required prior to enrollment and must be requested directly from the University or College attended. Electronic transcripts should be sent to gradstudies@unk.edu or paper transcripts to: Graduate Admissions, 1910 University Drive - CMCT 210, Kearney, NE 68849. NU transcripts (UNO, UNL, UNMC and UNK) are obtained internally unless an academic or financial hold is on the account. By virtue of submitting an application, applicant is providing consent for internal access to these academic records. Official graduate transcripts are required for any transfer credit that is being considered for the program.
3. Comply with departmental admission requirements.

When all materials are submitted, the Office of Graduate Studies and Academic Innovation will conduct an initial evaluation. Complete applicant files meeting the requirements for admission will be forwarded to the appropriate department for their consideration and recommendation. Following receipt of the departmental recommendation, the Office of Graduate Studies and Academic Innovation will notify the applicant of the action taken and admission status. To stay active in the program, students must not have a lapse of enrollment longer than two calendar years and all coursework towards a degree must be completed within 10 years of the first day of enrollment.
