

ADMISSION OF TRANSFER STUDENTS

Transfer Students

Transfer Student is defined as any student who has attempted college credit after graduating from a regionally accredited high school and/or completing the GED. **NOTE:** Students who complete college credit while in high school are not considered a transfer.

Admission Requirements

- Students must report all institutions where previously enrolled regardless of whether or not courses were completed/credit was earned.
- Good academic standing at all prior institutions. If academic suspension is currently in effect admission to UNK is not possible.
 - Students on academic probation at a former institution **are** eligible for admission to UNK.
- Good financial standing. Any outstanding balance at a prior school will not allow for admission to UNK.
 - Active student loans are not the same as having an outstanding balance. Student loans **do not** disqualify students from being eligible for admission.
- Cumulative 2.0 (C average) transfer GPA.
 - Students who have attended multiple institutions will have all GPAs combined and averaged.
