LEARNING SKILLS (LNSK)

LNSK 75 – Learning Skills  1 credit hour
These five-week, on-line classes are open to all students seeking to
develop specific skill sets, including study skills, time management,
listening and note taking, test taking, reading improvement, and critical
thinking. Because of the variety of short courses available, students can
take as many as three on-line classes in the same semester. All work is
done through Blackboard. The classes are graded credit/no credit and
apply towards full-time enrollment but do not count toward graduation.
Total Credits Allowed: 18.00

LNSK 103 – University Foundations  3 credit hours
This semester-long, transition class is strongly recommended for first
year and transfer students. Course topics include clarifying educational
and personal goals, developing self-awareness, exploring majors and
careers, getting involved in campus life, approaching new challenges,
understanding university resources, studying at a college level, reading
and test taking tips, writing and speaking strategies, managing time
effectively, critical thinking, and financial literacy. Credits earned in this
graded course may be counted as electives toward graduation.

LNSK 117 – Freshman Seminar  1 credit hour
The Freshman Seminar is designed to enhance students’ skills and
complement their academic programs, enabling them to be successful,
engaged members of the academic community at UNK. The seminar is
intended to help students transition from high school to college. Credit
does not count toward any degree.
