1

Students must apply for admission to all Teacher Education programs (<http://catalog.unk.edu/undergraduate/departments-programs/teacher-education/professional-sequence-education-degrees/>).

2

See advisor for an approved topic.

3

Student must be admitted to the Accelerated Master's Program in CDIS to take graduate course. Within this program, students may take up to 12 credit hours of graduate level coursework.

4

These courses are electives; students in the Accelerated Master's program should only take one of these at the graduate level and must choose one of the topics below.

- Bilingualism and Cognition
- Aging and Cognition
- Global Healthcare Literacy with Study Abroad

Other topics may be taken at the undergraduate level to fulfill professional elective requirements.

This document represents a sample 4-year plan for degree completion with this major. Actual course selection and sequence may vary and should be discussed individually with your academic advisor. Advisors can also help you plan other experiences to enrich your undergraduate education such as internships, education abroad, undergraduate research, learning communities, and service learning and community-based learning.
