

PRE-MORTUARY SCIENCE

Offered by Health Science Programs (<http://catalog.unk.edu/undergraduate/departments-programs/health-science-programs/>)

The program to be followed by pre-mortuary science students is largely determined by the requirements of the state in which they will practice and the mortuary school they will attend.

The following is based upon the state of Nebraska requirements (60 credit hours required) and requirements for regional mortuary science programs:

Code	Title	Credit Hours
Requirements		
ACCT 250	Principles of Accounting I	3
ACCT 251	Principles of Accounting II	3
BIOL 211	Human Microbiology	4
ENG 101	Introduction to Academic Writing	3
ENG 102	Special Topics in Academic Writing and Research	3
FIN 160	Personal Money Management	3
PSY 203	General Psychology	3
SOC 100	Introduction to Sociology	3
PSY 230	Human Development	3
or PSY 231	Abnormal Behavior and Society	
Select one of the following options:		8
Take two courses:		
BIOL 103	General Biology	
BIOL 215	Human Physiology	
or		
Take two courses:		
BIOL 225	Anatomy and Physiology	
BIOL 226	Anatomy and Physiology	
Select one of the following options:		8
CHEM 145 & CHEM 150	Introductory Chemistry and Introduction to Organic and Biochemistry	
or		
CHEM 160 & 160L	General Chemistry and General Chemistry Laboratory	
and		
CHEM 161 & 161L	General Chemistry and General Chemistry Laboratory	
Suggested electives to complete a 60 hour program ¹		24
ACCT 311	Business Law I	
MGT 301	Principles of Management	
MGT 355	Organizational Behavior	
CYBR 182	Software Productivity Tools	
SPCH 100	Fundamentals of Speech Communication	
Total Credit Hours		68

1

When choosing electives, the student should check with the Mortuary Science Program to which he/she intends to apply in order to insure that all requirements are fulfilled. Also, the student should check the requirements of the state in which he/she plans to practice (if it is not Nebraska).
