The Division of Student Affairs assists students, faculty, and staff with any issues or concerns that may affect a student's ability to succeed at UNK. The UNK's CARE Team is a group of professionals from across the campus that receives referrals on students of concern, collects additional information, and identifies and enacts appropriate strategies for addressing the concerns. Concern for a student may require referral to other resources for specific attention. For available resources, refer to the CARE Team web page at [www.unk.edu/student\\_affairs/care-team.php](http://www.unk.edu/student_affairs/care-team.php) ([http://www.unk.edu/student\\_affairs/care-team.php](http://www.unk.edu/student_affairs/care-team.php)). For immediate assistance call the UNK Police Department at (308) 865-8911 or 911. Please contact the Director of Student Health and Counseling to make a referral at (308) 865-8047 or click here ([https://cm.maxient.com/reportingform.php?UnivofNebraskaSystem&layout\\_id=13](https://cm.maxient.com/reportingform.php?UnivofNebraskaSystem&layout_id=13)).
