The mission of the Office of Fraternity & Sorority Life (FSL) at the University of Nebraska at Kearney is to advance the fraternity and sorority life experience at UNK through education and advisement. The office is committed to providing opportunities for personal and professional development, community engagement, and cultivation of co-curricular experiences that enhances a student-centered learning environment.

At UNK, our Fraternity and Sorority Life community is comprised of 12 chapters (six fraternities and six sororities) with over 500 students involved. Members of Greek organizations are encouraged to emphasize our values. Each of our organizations have their own rituals, traditions, and areas of focus, but all strive to live by the four core values of scholarship, leadership, service, and friendship.

- **Scholarship:** Helping students reach their academic goals and graduating with a college degree.
- **Leadership:** Extend additional opportunities for the development of critical transferable leadership and life skills, like critical thinking, working across difference, prioritization, time management, effective communication, event planning, and organization.
- **Service:** Giving back to others locally and globally through time, talent, and treasure.
- **Friendship:** Create connections, network, elevate community, and foster a sense of belonging for all who participate in Fraternity and Sorority Life.

We work to establish and foster positive relations with administration, faculty, and Greek and non-Greek student organizations. Through these endeavors, the Office of Fraternity & Sorority Life strives to complement the mission of the Division of Student Affairs and the mission of the University of Nebraska at Kearney.
