The Nebraskan Student Union provides facilities, programs, services, and
conveniences designed to meet the individual and collective needs of the
University of Nebraska at Kearney. Services and programs of the facility
are intentionally planned to foster out-of-class learning, leadership, and
social interaction for UNK students and the university community.

The Student Union contributes to learning experiences and leadership
development through scheduled programs and special events, as well as
through volunteer and employment opportunities.

The Nebraskan Student Union strives to broaden the academic
experience of students by providing educational and co-curricular
experiences outside of the classroom with speakers, performing artists,
and cultural programs. By creating meaningful experiences for students
that support their academic endeavors and that enrich the quality
of campus life, the Nebraskan contributes to the excellence of the
University.
