PRE-OCCUPATIONAL THERAPY

Offered by Health Science Programs (http://catalog.unk.edu/catalog-archive/2017-2018/undergraduate/departments-programs/health-science-programs)

The following pre-occupational therapy program is suggested for students interested in seeking admission to the occupational therapy program at Creighton University. Competition to gain a place in occupational therapy school is intense and cannot be guaranteed; students are expected to plan for a college major. 1 Creighton University requires a baccalaureate degree for admission.

</table>

Total Credit Hours 37-38

These courses meet the requirements at Creighton University. Students should check with the specific school(s) to which they intend to apply to ensure all requirements are fulfilled. Requirements can vary greatly between different occupational therapy schools.

---

1 Students pursuing a program of study in pre-occupational therapy are expected to choose a major so that they can be working towards a baccalaureate degree concurrently with the pre-occupational therapy program. This requires a major/minor combination or a comprehensive major as well as completion of the UNK general studies requirements and other degree requirements as set forth in the college catalog. (Students who are accepted into occupational therapy school prior to completing a baccalaureate degree at UNK may be eligible to receive a BS Degree in Applied Health Sciences (http://catalog.unk.edu/catalog-archive/2017-2018/undergraduate/departments-programs/health-science-programs/applied-health-sciences-bs) if they have completed all General Studies requirements (http://catalog.unk.edu/catalog-archive/2017-2018/undergraduate/general-studies/general-studies-courses) and have at least 85 semester credit hours completed in pre-OT studies.)

2 Except HIST 188.

3 Students with sufficient preparation may enter the mathematics program at a higher level.
