ADMISSIONS

The University of Nebraska at Kearney seeks to make provision for personal and social needs as well as to promote students' intellectual development in harmony with their ability level and interests. Students may be granted admission for any term as a non-degree student or any term the department accepts admission for if degree seeking, by the applicable deadline. All students seeking admission for enrollment in degree programs must complete the application for admission, submit department requirements and transcripts from all post-secondary schools attended before admission can be determined. If admitted and before enrollment can occur official transcripts, sent directly from all post-secondary schools attended, must be received. All materials become the property of UNK and will not be returned.

Admission may be invalidated on the basis of erroneous information willfully submitted, or if the facts required in the application process are intentionally concealed or omitted.
