

STUDENT HEALTH PROMOTION OFFICE

Location: Health Science Education Center II, 2504 University
Drive, #277G Phone: 308-865-8092

Website: www.unk.edu/offices/counseling_healthcare/health-promotion/index.php (http://www.unk.edu/offices/counseling_healthcare/health-promotion/)

The Health Promotion Office is dedicated to providing engaging and educational programming on various health topics. We are committed to ensuring that students gain the necessary skills and knowledge to make safe and positive health decisions in the future. This office advises the Peer Health Educators, an official UNK student organization, this group is comprised of motivated students passionate about promoting wellness on campus.
