BACHELOR OF MUSIC

1. All General Education (http://catalog.unk.edu/undergraduate/general-studies/) and general graduation requirements (http://catalog.unk.edu/undergraduate/academics/degrees/institutional-requirements/) must be met.
2. The Bachelor of Music degree is a comprehensive professional degree designed to provide students with the greatest preparation for music careers in a variety of specialized areas of study. The BM degree is also designed for those who intend to pursue the Master of Music degree.
3. Additional minors beyond the Degree Plan described above will be allowed contingent upon the following:
   a. If the additional minor(s) is(are) from a department in the Degree Plan, the additional minor(s) must have twelve (12) credit hours of unduplicated coursework.
   b. For minor(s) from departments different from those in the Degree Plan, there is no limit of duplication.
