

# PRE-NURSING

Offered by Health Science Programs (<http://catalog.unk.edu/undergraduate/departments-programs/health-science-programs/>)

The following two-year UNK Pre-Nursing Program is broadly designed to meet the College of Nursing requirements for the University of Nebraska Medical Center. Other requirements for admission include completion of 58 credit hours of pre-nursing pre-requisites with a grade of "C+" or better. Admission to the UNMC nursing program is competitive and based on scholastic record and personal recommendations. Students accepted to the program may complete the two-year nursing curriculum on the UNK campus in the Health Science Education Complex. The students will graduate with a Bachelor of Science in Nursing (BSN) from UNMC. For more information on the BSN degree from UNMC, see UNMC College of Nursing, Kearney Division (<http://catalog.unk.edu/undergraduate/departments-programs/nursing-un-medical-center-college-nursing-kearney-division/>). Students applying to nursing schools other than the UNMC College of Nursing should consult with their advisor and check with those schools for specific course and admission requirements.

| Code  | Title  | Credit Hours |
|---|--|--------------|
| <b>Pre-Nursing Requirements</b>                         |  |              |
| BIOL 225  | Anatomy and Physiology                                   | 4            |
| BIOL 226  | Anatomy and Physiology                                   | 4            |
| ENG 101   | Introduction to Academic Writing                         | 3            |
| ENG 102   | Special Topics in Academic Writing and Research          | 3            |
| PSY 203   | General Psychology                                       | 3            |
| SOC 100   | Introduction to Sociology                                | 3            |
| FAMS 150<br>or PSY 230                                  | Lifespan Development and the Family<br>Human Development | 3            |
| Select 4 credit hours of the following:                 |  | 4            |
| CHEM 145  | Introductory Chemistry                                   |              |
| CHEM 148  | Introductory Chemistry for the Health Sciences           |              |
| CHEM 160<br>& 160L                                      | General Chemistry<br>and General Chemistry Laboratory    |              |
| <i>MATH requirement</i>                                 |  |              |
| Select 3 credit hours of College Algebra or higher Math |  | 3            |
| <i>Microbiology</i>                                     |  |              |
| BIOL 211  | Human Microbiology                                       | 4            |
| <i>Nutrition</i>  |  |              |
| NUTR 108  | Introduction to Nutrition                                | 3            |
| <i>Statistics</i>                                       |  |              |
| Select 1 of the following:                              |  | 3            |
| STAT 235  | Introduction to Statistics for Social Sciences           |              |
| STAT 241  | Elementary Statistics                                    |              |
| BIOL 305  | BioStatistics  |              |
| MGT 233   | Business Statistics                                      |              |
| <i>Ethics</i>   |  |              |
| Select 1 of the following:                              |  | 3            |
| PHIL 120  | Introduction to Ethics                                   |              |
| PHIL 125  | Introduction to Ethics and Health Care                   |              |

|   |                                      |           |
|---|--------------------------------------|-----------|
| BIOL 311  | Bioethics                            |           |
| SOWK 172  | Human Service Ethics and Experience  |           |
| PSY 350   | Ethics in Psychology                 |           |
| <i>Cultural, Race, Ethnicity or Gender</i>                  |                                      |           |
| Select one of the following suggested courses: <sup>1</sup> |                                      | 3         |
| GEOG 106  | Human Geography                      |           |
| HIST 250  | American History I                   |           |
| HIST 251  | American History II                  |           |
| SOC 225   | Global Cultures and Diversity        |           |
