For departmental assessment purposes, all students will be required to complete a comprehensive examination in Psychology during their final semester.
Students with sufficient preparation may enter the mathematics program at a higher level. Students are required to take a LOPERs 4: Mathematics, Statistical, and Quantitative Reasoning course regardless of entry level.

Designated courses with the appropriate content may be approved to satisfy one of the Broad Knowledge requirements plus LOPER 9 or Broad Knowledge plus LOPER 10. Courses may be approved to satisfy LOPER 9 or LOPER 10 alone. (Courses satisfying LOPER 9 or LOPER 10 alone must be 3 credit hours.) Students applying this option will need to take additional hours in other categories to meet the required GS hours.

Course possibly may fulfill General Studies requirement reducing total credit hours needed for unrestricted electives for the degree. Consult advisor.

Students are urged to work closely with their advisor in selecting from the courses listed.
