Part of the Office of Student Life, the Office of Student Diversity and Inclusion (ODI) is located in the Nebraskan Student Union Multicultural Center. The Office of Student Diversity and Inclusion administers programs and services that foster a supportive environment for students of American Ethnic heritage, promote a multicultural climate conducive to educational achievement, provide leadership opportunities, scholarship opportunities, and encourage a global perspective of learning.

The office assists currently enrolled and prospective students in defining and fulfilling personal and educational goals. Educational, cultural, and social programs are open to all students, faculty, and staff at UNK.

Our student organizations plan events to celebrate various social and educational cultural events throughout the year. ODI week highlights a wide range of cultures and is held each November.
