At the University of Nebraska at Kearney, the possibilities for out-of-class involvement are endless. The Office of Student Engagement offers quality, inclusive programs, services, and events that allow for connections with fellow Lopers and a chance to build valuable life skills. With 150+ student organizations, students can discover organizations that best suit their academic major or personal interest.

Among others, some of the main entities within the Office of Student Engagement are:

- Fraternity & Sorority Life
- Student & Family Transitions & Leadership
- Student Government
- Chancellor's Student Ambassadors
- Loper Programming and Activities Council (LPAC)

Organizations are subject to change based on recognition status. For a list of student organizations and their events, visit LoperLinks (<https://unk.campuslabs.com/engage/>). Download the Corq app for mobile access.
